SHORT-CUT CRYSTAL

- Keep jumping to avoid sinking through clouds.
- It isn't essential to collect cherries - they're only bonuses.
- Don't jump into water on any level except the last one (when you get hold of the diving equipment).
- Avoid contact with the enemies as they decrease your chances, which isn't good news by anyone's standards.
- Take care with the bats - they won't move until you get close to them.
